Wilderness Heals: Participate in the Wilderness Heals pledge hike to benefit the Elizabeth Stone House! Each year, over 60 women hike in the White Mountains of New Hampshire for three days to raise much needed unrestricted funds for the Elizabeth Stone House. Supporters can also sponsor residents of ESH to participate in this exciting event.

Third Party Event: Raise critical dollars by hosting your own special event in honor of the Elizabeth Stone House! A third party event is one that is created, organized, and hosted by volunteers and ESH supporters. Events can range from a birthday party to a concert. The staff of the Elizabeth Stone House is available to help through the ESH Third Party Event program.

Corporate Sponsorships: Show your support of the Elizabeth Stone House by becoming a corporate sponsor. Your company's logo will be featured on the Elizabeth Stone House website and newsletter.

Work Place Giving Program: Encourage your employer to include the Elizabeth Stone House as part of your workplace giving program. A staff member from ESH is available to come to your workplace to talk about the work of the Elizabeth Stone House and how employees can become more involved.

Board Committees: Join one the committees for the Board of Directors. Share you expertise and special interest and help the Elizabeth Stone House in the following areas; finance, evaluation/compensation, program, fundraising, and real estate development. ESH is always looking for dedicated volunteers for this program. Board committees meet on a weekday evening, once every other month, on a date that is convenient for its members.

House to Home: Sponsor a family through the Elizabeth Stone House, *House to Home* program. Be matched with a resident family of ESH and help them in their transition to permanent housing by providing household goods and furniture to personalize their new home.

Network of GentleMen: The Elizabeth Stone House is looking for gentlemen to become involved. Organized through an e mail listserv, network members receive notices of upcoming volunteer opportunities. Opportunities can range from mentoring, fundraising, spring cleaning, and events at ESH.

Volunteer: Volunteers at the Elizabeth Stone House are needed to help through outreach efforts, childcare and to help staff in the office with mailings, data entry and event support. ESH is also looking for groups of volunteers to help with yard clean up, painting, gardening, etc. Staff is available to help you organize a volunteer day through your work in order to introduce employees to the effort of ESH.
